**OFFICE OF PETITIONS**

In re Application of :  
Royce Lewis :  
Application No. 10/534,329 :  
Filed: May 9, 2005 :  
Attorney Docket No. GB02 0188 US :

ON PETITION

This is a decision in response to the petition, filed June 21, 2007, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed November 28, 2006, which set a shortened statutory period for reply of one (1) month or thirty (30) days (whichever is later). No extension of time under the provisions of 37 CFR 1.136(a) was obtained. This decision precedes the mailing of a Notice of Abandonment. On June 21, 2007 the present petition was filed.

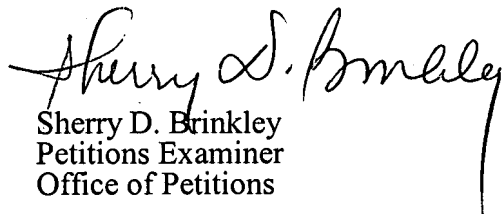

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of Peter Zawilski appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party on whose behalf he acts.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the response in the form of an election of the invention to be examined; (2) the petition fee of \$1,500; and (3) an adequate statement of unintentional delay<sup>1</sup>.

Telephone inquiries concerning this decision may be directed to the undersigned at (571) 272-3204. All other inquiries regarding this application should be directed to the Technology Center.

<sup>1</sup> 37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. While the statement is not made by an attorney of record, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

The application is being referred to Technology Center AU 2814 for consideration of the response filed June 21, 2007.
